Technology company IAI industrial systems will supply a BookMaster One system for passport personalisation to Poland

Technology company IAI industrial systems in Veldhoven, the Netherlands, a subsidiary of the stock listed company DOCDATA N.V. in Waalwijk, the Netherlands, will supply a BookMaster One system for personalisation of passports to Poland. The system will be supplied in 2010.

IAI's principal is the Polish Security Printing Works S.A., the local security printing company in Warsaw, Poland.

Apart from the supply of the system, the order also includes maintenance support for several years. Maintenance will be carried out in close cooperation between IAI and the Polish Security Printing Works.

Being a leading equipment supplier to the Security Printing market, IAI industrial systems supplies systems for securing and/or personalisation of ID-cards, driver licences, banknotes, diplomas and many other security documents.

IAI's systems are in use in many countries such as: the Netherlands, Belgium, Switzerland, Ireland, UK, Sweden, China, Ukraine, Russia, Canada, Portugal, Estonia, Costa Rica and South Africa, and are planned to be installed in Bulgaria, India, Algeria and several other countries.

Technology company IAI industrial systems also offers laser processing systems for producers of solar cells and modules.

The listed DOCDATA N.V. exists of two lines of business:

Technology company IAI industrial systems (www.iai-industrial-systems.com) is a high tech engineering company specialised in developing and building systems for very accurate and high speed processing of all kinds of products and materials. IAI delivers clients globally in the following sectors:

- securing and personalising of security documents
- processing of solar cells and modules
- processing of other materials and products

Internet service company Docdata (www.docdata.com) is a European market leader with a strong basis in The Netherlands, Germany and the United Kingdom, and exists of four divisions:

- *Docdata commerce*
- *Docdata payments*
- *Docdata fulfilment*
- *Docdata media*

Waalwijk, The Netherlands, 6 October 2009
